Dear Sir:

Please pardon my delay in writing you but as you know the baseball is going through very difficult times, and we never know when some changes will be made. We had planned to play in Patterson by now, but have decided to wait until August, when we can plan a campaign. That is we will be able to go for three consecutive weeks, and will be able to advertise the entire schedule at once.

I will not give you the dates and attractions at this time, but I will say we plan to use time on WPAT if it is available. I will get in touch with you in plenty time to make the necessary arrangements.

Thank you for your offer of cooperation. Look to hear from me in a week or two.

Very Truly Yours
